HUTCHISON PORTS ABU QIR TAKES DELIVERY OF THREE HYBRID RTGCS

Summer 2024 / Sustainability / Snapshot
Business Unit: HUTCHISON PORTS ABU QIR

On 24 April 2024, the final batch of three hybrid rubber-tired gantry cranes (RTGCs) arrived at Hutchison Ports Abu Qir terminal. With a fleet comprising 5 quay cranes and 19 RTGCs, the terminal is now fully equipped to handle the largest vessels in the market.
