HUTCHISON PORTS PAKISTAN SETS COUNTRY RECORD

Summer 2024 / Spotlight / Snapshot
Business Unit: HUTCHISON PORTS PAKISTAN

When the CV MSC ANNA called at Hutchison Ports Pakistan on 3 June 2024, it became the largest containership to ever call in the country. The historic milestone with the arrival of one of the world's largest container vessels highlighted the terminal's advanced capabilities to handle future generations of mega vessels reflecting its strategic importance to trade in the region.

"The CV MSC ANNA, one of the world's largest vessels with an overall length of 400 metres and a capacity of 19,368 TEU, exemplifies the scale of operations that Hutchison Ports Pakistan can efficiently offer to its customers. As the country's solely deep-water container terminal, our port is equipped with state-of-the-art technology and infrastructure, ensuring seamless management of ultra-large container vessels," said CS Kim, Head of Business Unit, Hutchison Ports Pakistan.
