## HUTCHISON PORTS JAZAN EXCEEDS 1 MILLION TONNES CARGO HANDLING MILESTONE

Winter 2024 / Spotlight / Snapshot  
Business Unit: HUTCHISON PORTS JAZAN

On 25 and 28 June, Hutchison Ports Jazan completed the handling of Pig Iron export and ilmenite import cargo vessels respectively for the Port of Jazan City for Primary and Downstream Industries (JCPDI Port) in-house steel factory ASIC. By handling both vessels, the terminal exceeded the 1 million tonnes cargo handling milestone since the inauguration of the port in September 2022.
