HUTCHISON PORTS HOSTS FIRST GLOBAL DOCK SCHOOL ENVIRONMENTAL WEBINAR

Winter 2025 / Sustainability
Business Unit: HUTCHISON PORTS

Hutchison Ports hosted its inaugural Global Dock School Environmental Webinar on 27 June, bringing together students, teachers, and staff from across its global network. The event achieved an impressive turnout with 269 participants', reflecting the growing effort and commitment to sustainability within the Dock School community.

The webinar featured engaging panel discussions and a lively Q&A session, where participants demonstrated their eagerness to learn and exchange knowledge on pressing environmental topics. Group discussions provided a platform for sharing the best practices and fresh perspectives, generating a wealth of innovative ideas that will help shape the next phase of Dock School’ s environmental initiatives.

This successful first edition marks the start of an exciting new chapter for the Global Dock School programme, reinforcing Hutchison Ports' commitment to inspiring future generations to champion sustainability both within and beyond the port industry.
