HUTCHISON PORTS SUSTAINABILITY REPORT WINS AT THE ARC AWARDS INTERNATIONAL

Winter 2025 / Sustainability
Business Unit: HUTCHISON PORTS

Hutchison Ports is delighted to announce that the 2023 Sustainability Report has been recognised with three prestigious awards at the 39th ARC Awards International. Hutchison Ports earned Silver for the Chairman's Letter, Bronze for the Home Page, and an Honour for Design/Graphics.

The Sustainability Report showcases Hutchison Ports' commitment to environmental stewardship, social responsibility, and strong corporate governance, presenting our ongoing efforts to reduce environmental impact, enhance operational efficiency, and engage with stakeholders transparently.

This triple recognition reinforces Hutchison Ports' position as a global leader in sustainable port operations and demonstrates the high standards of reporting, design, and content achieved by the team.
